***IMPORTANT NOTE:** *The ENR Top 200 Environmental Firms ranking is NOT THE SAME as ENR's Top Green 100 Building Design Firms and Top 100 Green Building Contractors lists. They rank firms based on 2023 revenue from projects registered with third party green building or sustainable construction-ratings organizations and are generated by a separate survey. If interested in being ranked on those lists, contact Jon Keller at kellerj@enr.com*
